

POSITION: CLINICAL PSYCHOLOGIST

UNIT/PC#: 199-010-9200-001

TENURE: Permanent

TIME BASE: Full Time

LOCATION: 39100 Gallaudet Drive Fremont, CA 94538

ANNUAL SALARY: \$74,592.00- \$99,720.00

MONTHLY SALARY: \$5,516.00 - \$7,610.00 (Plus \$700.00 for Recruitment and Retention)

DUTIES:

Join the staff at the Diagnostic Center - North in Fremont, California located in the San Francisco Bay Area. Become part of a

team of nationally recognized expert educators working with California's special educators and families. Make a difference!

You will serve as a member of a transdisciplinary assessment team providing services to local school districts in 35 counties. You will have a direct impact on the future of education. In addition, you will have an opportunity to develop and conduct training programs and workshops for educators and families. Travel is required.

Your skills and expertise will be shared and you will have opportunities for collegiality and professional growth. If you value education and promoting best practices; if you appreciate multiculturalism and diversity; if you are looking for research and publication opportunities; if you want to make a difference, we would like to meet you!

Minimum Qualifications:

- Minimum of 5 years of clinical, assessment and/or consultation experience providing services to students with disabilities
- Must have a PhD or PsyD and be licensed by the California Board of Psychology as a psychologist
- Experience with working with school personnel or providing classroom consultation and recommendations
- Experience in conducting clinical assessments of students with a variety of disabilities (e.g. emotional disturbance, intellectual disability, autism, learning disability, ADHD, etc.)
- Familiarity with and understanding of psycho-educational assessments of students with disabilities
- Experience with Educationally Related Mental Health Services (ERMHS)
- Experience interviewing students, family members and school personnel
- Knowledge and experience in using the DSM-5
- Experience providing psychological diagnoses of children and adolescents
- Excellent analytical and writing skills
- Ability to work collaboratively as part of a transdisciplinary assessment team
- Able to complete assignments with pre-established timelines
- Ability to present assessment findings, implications and recommendations in a clear and sensitive manner to parents and school district personnel at student case conferences
- Ability to develop and provide trainings and workshops.

Additional Desirable Skills

- Specific expertise in areas of non-biased assessment, alternative assessment, neuropsychological assessment and functional behavioral analysis
- Bilingual capability and multi-cultural background is highly desirable

Benefits

- Salary range: \$74, 592 to \$99, 720 for 209 days (entry based on your present salary)
- Excellent medical, dental, vision and retirement benefits (STRS/PERS)
- Opportunity to work collaboratively with highly competent individuals from other disciplines (e.g., physician, clinical psychologist, school psychologist and speech language pathologist)

Final Filing Date: OPEN UNTIL FILLED
