

# Following Directions Rubric

	 1	 2	 3	 4	 5
<b>Following Directions</b>	I did not listen to the directions, so I did not know what to do.	I did not follow the directions. I was frequently off task.	I followed the directions but I had to be reminded to stay on task.	I followed the directions and stayed on task while I was working on my project.	I followed all the directions and I helped other students who didn't know what to do.
