Diagnostic Center-North
Goal Writing Symposium

When: Presented in 2 parts
December 9th, 2020 10am-12pm
December 16th, 2020 1pm-3pm
Where: Virtually via Zoom

REGISTRATION DUE November 15th, 2020

What is it?
The Education Specialists of Diagnostic Center- North invite all special education teachers and direct service providers to join in a virtual 2-part workshop dedicated to IEP goal writing. The two days will include training and collaboration with content specialists with expertise in writing goals for students at all grade and ability levels.

Information:

- Day one will consist of one session hosted by all Diagnostic Center Education Specialists focused on the “how to” of goal writing from assessment to goal selection through case study examples.
- Day two will provide two time blocks for breakout sessions. Each participant can attend two breakouts.
- Breakout topic areas:
  - Academics across content areas
  - Functional skills
  - Executive functioning
  - Behavior
  - Transition
