JOB ANNOUNCEMENT

POSITION: Speech-Language Teacher Specialist

UNIT/PC#: 199-020-9200-004

TENURE: Permanent

TIME BASE: Full Time

LOCATION: 39100 Gallaudet Drive Fremont, CA 94538

SALARY: \$5,381.00 - \$7,424.00 per month

Plus \$700.00 monthly for Recruitment & Retention

\$72,972.00 - \$97,488.00 Annual Salary

DUTIES: Join the staff at the Diagnostic Center - North in Fremont, California located in the San Francisco Bay Area. Become part of a team of nationally recognized expert educators working with California's special educators and families. Make a difference!

You will serve as a member of a trans-disciplinary assessment team providing services to local school districts in 35 counties. You will have a direct impact on the future of education. In addition, you will have an opportunity to develop and conduct training programs and workshops for educators and families.

Your skills and expertise will be shared and you will have opportunities for collegiality and professional growth. Travel is included. If you value education and promoting best practices; if you appreciate multiculturalism and diversity; if you are looking for research and publication opportunities; if you want to make a difference, we would like to meet you!

Typical Responsibilities include the following duties:

- Provide consultation and assessment services
- Administer, score and interpret standardized and informal measures of assessment
- Compose comprehensive reports of assessment findings, implications and recommendations for instructional strategies and related services within the context of a multiple disciplinary report
- Attend parent/district conferences and meetings
- Develop and conducts training programs and workshops
- Travel throughout Northern California

Minimum Qualifications

- Master's Degree in Communicative Disorders or related field
- Appropriate California Credential
- Minimum of five years' experience working with students with disabilities

Desirable Skills

- Ability to conduct standardized and informal assessments
- Outstanding oral and written communication
- Ability to work independently and collaboratively
- An in-depth knowledge of special education law, procedures, disabilities and educational interventions

Benefits:

- Excellent medical, dental, vision and retirement benefits (STRS/PERS)
- Opportunity to work collaboratively with highly competent individuals from other disciplines (e.g., physician, clinical psychologist, school psychologist, and speech language pathologist)

Final Filing date: Open until filled
